FF182GL3542- City of Racine- Prosperity for All: High Wage Construction Opportunities for City of Racine Residents. The City of Racine is partnering with WRTP/BIG STEP, Human Capital Development Corporation – First Choice Pre-Apprenticeship Program, Gateway Technical College, Racine County Economic Development Corporation, Racine County Human Services Department, UMOS and the Racine Water Utility to train 167 unemployed workers and 15 incumbent employees who reside in the City. The Water Utility will contract with employers. Project partners will provide training and supportive services to connect Racine residents to permanent positions in the construction and building trades.

*The city is in negotiations with numerous businesses to complete local development projects and meet grant project employment goals.
